

CONCORD JUNIOR SOCCER CLUB

COVID-19 INFORMATION FOR COACHES & MANAGERS

This document contains information that supports the implementation of the Football NSW (FNSW) Return to Play guidelines. The [full set of guidelines is available here](#). In addition to the FNSW guidelines, the Club specifically calls attention to the following **Dos** and **Don'ts**. Please read and understand **ALL** the information in this document as it sets out the minimum requirements for you to follow.

Last updated: 29th June 2020

TRAINING

GAMES

Keep a record of who attends each training session and send to mpio@concordsoccer.org.au

Why? This helps contact tracing. If a person later tests positive, we can track other contacts that person may have had.

Start training on time

Why? Maximises your use of training time and ensures you can finish on time too

If you know another team is training after you, leave the field at least 5 minutes before the next session starts

Why? Maintain social distancing rules and minimise the chance of mingling into a larger group

Ensure your players and any training helpers sanitise their hands before and after training

Why? Promote and maintain minimum hygiene guidelines

IF NOT PLAYING AT EDWARDS, take a photo of the signed match sheet and send to mpio@concordsoccer.org.au

Why? This helps contact tracing. If a person later tests positive, we can track other contacts that person may have had. The Club will keep a copy all home match sheets

Send players home if they appear to be unwell

Why? Reduce the risk of infecting others

Maintain distancing rules at all times e.g. when getting ready before the game and on the sideline during the game

Why? Maintain social distancing rules. Maintain a distance of 1.5m between everyone before and after the game and between substitutes and officials during the game

Ensure your players and officials sanitise their hands before and after games

Why? Promote and maintain minimum hygiene guidelines

TRAINING

GAMES

Don't let your players mingle after the training

Why? Maintain social distancing rules and minimise the chance of mingling into a larger group

Don't let the players share drink bottles

Why? Minimises the chance of spread of germs

Don't let the players share drink bottles, half-time oranges or lollies

Why? Minimises the chance of spread of germs

Avoid team handshakes prior to kick-off

Why? Minimises the chance of spread of germs

Avoid team huddles, handshakes/high fives and multi-player goal celebrations

Why? Minimises the chance of spread of germs

Don't ignore the guidelines

Why? The health and safety of the people in our care!

Consequences of breaching the rules include hefty fines from Council and potential deregistration

Do not hesitate to contact any of the Club Committee with any questions.
